

## WHO WE ARE

Towerhouse Global is an international collective of live entertainment and touring experts from around the globe. Our mission is to bring the client's vision to reality by combining our collaborative creativity with seasoned live event strategy. Founded in 2009 after many years of touring, Towerhouse assists in developing, managing, and producing live events – from conferences and music tours to large corporate events. Towerhouse has a diverse client base that includes music artists, speakers, writers, corporations, and ministries. Our experience is vast, our footprint is global, and our team is exceptional. From inception to execution, Towerhouse Global exists to create spectacular events that achieve our client's goals and expectations. Let us bring an elevated edge to your event.

## OUR PROCESS

### 1. CONCEPT

You have goals for your next event, We have creative ways to help you reach them.

### 2. DESIGN

Here we move from the big picture to the details. You'll see concept and construction coming together with specific plans to keep you on time and in budget

### 3. BUILD

Event success starts with careful preparation. Our team blends visual and structural innovation, bringing power and impact to your event. Thoughtful construction leads to captured emotion.

### 4. PRODUCE

We are here to make sure your event runs smoothly from start to finish – despite any twists and turns behind the scenes.
